## **Stockton Memorial Civic Auditorium Hosts San Francisco Giants World Champions Trophy Tour on February 12, 2015**

(Stockton, CA) – Every time San Francisco Giants win a World Championship, fans line up throughout California and across the country to view the trophy when it stops at a nearby city. Stockton Giants fans will get another chance to show their team loyalty at the Stockton Memorial Civic Auditorium, 525 N. Center Street, on Thursday, February 12, 2015, from 5-7 p.m. The 2010, 2012, and 2014 trophies will be on display for two hours and open to the public for a free viewing. Fans will have the opportunity to view and snap a photo with the trophies.

Thousands of Stockton fans celebrated when the San Francisco Giants became World Champions with a third title in five years. So Giants and Trophy Tour representatives want to give back to local fans and will do their best to make sure everyone has a chance to view, but not touch, the championship trophies. To keep the tour on schedule, fans will be admitted on a first-come, first-served basis. Depending on the size of the crowd, representatives may limit the use of personal cameras to allow the maximum number of fans to view the trophy.
